

Growing a Literate Community

Give the Gift of Literacy

As you decide what to give your friends, family, or colleagues for the holidays, why not honor them with the gift of Literacy?

The Adult Reading Center serves over 770 adult learners each year. All of the funds raised by the Center are used to provide FREE services to adults learning to read, write and speak English; transforming adult literacy learners into self-sufficient wage earners and parents who are actively involved in their children's education.

Your holiday gift to the Adult Reading Center will affect the lives of all of our students, helping them achieve their dream of literacy and become contributing members of our community.

Your Gift of Literacy is sincerely appreciated!
